Riegelwood Mill Overview

- Employs Approximately 630 employees
- Began operations in 1951
- End products – softwood market and fluff pulp sold in rolls and bales to customers who convert them into a variety of products we use every day such as diapers, feminine hygiene and adult incontinence products.
- 1st Pulp & Paper mill in NC to join the state’s Environmental Stewardship Initiative

The Riegelwood Mill contributes annually to area non-profit and civic organizations through donations, International Paper Foundation grants, and United Way. The mill also funds butterfly education kits to area schools every year.
