COOKIE POLICY

This Cookie Policy describes the different types of cookies that are used on **www.internationalpaper.com** (the "Site") by International Paper ("IP" "we" "our" or "us"). We may change this Cookie Policy at any time. The use of cookies on the Site enables us to distinguish you from other users of our Site, which helps us provide a user-friendly experience when you visit our Site and enables us to improve our Site. We may change this Cookie Policy at any time. Please take a look at the "*LAST REVISED*" date at the top of this page to see when this Cookie Policy was last revised. Any changes in this Cookie Policy will become effective when we make the revised Cookie Policy available on or through the Site.

If you have any further questions or concern, please contact us by email at My-Privacy@ipaper.com, or write to us at one of the following addresses:

1. WHAT IS A COOKIE?

Cookies are small files of letters and numbers that allow us to store small amounts of data on your browser or the hard drive of your computer which provide us with information about your visit to the Site. Cookies help us to learn which areas of the Site are useful and which areas need improvement.
You can choose whether to accept the cookies by activating and changing the settings on your browser that allow you to refuse the settings of all or some cookies. However, if you use your browser settings to disable all cookies, including the essential cookies listed below, your experience on the Site may be diminished and some features of the Site may not work as intended.

2. WHAT COOKIES DO WE USE?

Below we list the different types of cookies that may be used on the Site. To the extent any Personal Data is collected through cookies, the Website and Mobile Application Privacy Notice applies and complements this Cookie Policy.

Please note that third party cookies, for example, traffic analysis services and advertising networks, may also use cookies on this Site, over which we have no control.

Strictly Necessary Cookies. These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.
