Hold&Go®

The Hot Cup with a Cool Feel®

Hold&Go® insulated paper hot cups use ThermaShield™ technology to provide a versatile solution for on-the-go beverages. The combination of high-quality printed graphics and sturdy construction are appealing to customers purchasing premium beverages, while the functionality is ideal for operators looking for more efficient and effective packaging solutions.

Features

- Double-wall design eliminates the need to double-cup or add a sleeve, improving beverage service speed
- Insulating air gaps create an additional layer of security
- Two lid styles in black or white, with common lids for 12 – 20oz
- Available in custom prints or stock designs
- Made in the U.S.A.
- Fiber used meets Sustainable Forestry Initiative® (SFI®) standards
