# 10% PCF Post Consumer Recycled Fiber

International Paper is pleased to introduce a Post Consumer Recycled Fiber (PCF) product line. The PCF product line includes a new single-use paper hot cup made with 10% post-consumer recycled fiber as well as our Cup Buddy® kraft sleeves, made from 100% recycled and 60% post-consumer fiber. This product line provides another alternative to renew your commitment to the environment and meet your sustainability goals.
