

Tag

This one doesn't play around!

International Paper's Tag is a hard working product formulated to deliver excellent printing and converting results. This versatile stock is guaranteed to perform in offset, flexographic and inkjet applications, plus our 92 bright white carries a laser guarantee*. Tag is engineered with the stiffness and tear strength to breeze through a variety of converting applications. We offer a broad choice of white, manila, colors and specialty products to suit your needs.

Colors

Blue, Canary, Cherry, Green, Salmon
