

Symphony™

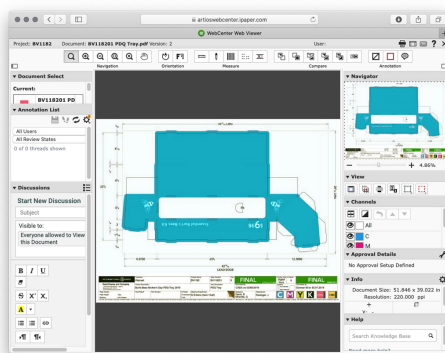

Symphony is a secure internet portal that streamlines the art-for-approval process and increases speed-to-market for all of your Corrugated, Preprint, and Litho art needs.

Online Graphic Approval System

- Eliminates the need for long email strings and attachments
- Approval times reduced from weeks to days
- Provides an easy-to-navigate online web approval in which all stakeholders can make change-requests, comments and approve art
- Provides automatic email notifications to parties involved in the project to reduce approval time and errors
- Improves data sharing through easy upload and downloading – no more huge files attached to emails
- Asset reusability is optimized by centralized storage
- Art consistency is improved by version control and history tracking
- Efficiency is improved by faster document retrieval and data sharing
- Viewable and editable on PCs, Tablets, and Smart Phones

Secure internet portal

Easy-to-navigate online web approval
